

## BBQ Fundraiser – 18 April 2009

The Red Hat Chapter held a fundraiser at the Wal-Mart in Hope Mills, NC in an effort to help raise funds for the Rigger Memorial to be placed at the Airborne and Special Operations Museum this summer.

**The site in Hope Mills, NC**

**The serving line hard at work**

**Most stood with signs, others did the job sitting down**

**An end of the day snapshot**

I think all present would call it a success - The RHC raised just over \$1000 after all the bills were paid. Nothing like a bunch of Parachute Riggers getting the job done! A special thanks to all that helped that day, without you it wouldn't have been possible.
