

# Rigger Memorial

## Background

During the July 2008 Red Hat Chapter (RHC) meeting, the motion was made (and carried) to raise enough funds (Approx. \$3700) to place a Rigger Memorial along the entrance of the Airborne and Special Operations Museum, Fayetteville, NC.

## Fund Raising

Fund Raising will be accomplished thru private donations of RHC members and other supporters of the RHC. We will also raffle off a Military Free Fall print to help raise funds (more to follow). A list of contributors will be available on the website.
